Minibus adventures

The children have loved our recent outings!

At Muirhaven Farm they met lots of animals and enjoyed the park. At the Train Museum, Linlithgow, they explored trains and ticket machines. Lewisvale Park brought tree climbing, bird watching, and a bus ride adventure. At the Balgone Sunflower Patch they spotted Highland cows and had a beach picnic in North Berwick.

Fun, fresh air, and learning everywhere!

Junk Modelling

We're running low on resources for our junk modelling, thanks to all of your little ones' amazing crafts!

If you have any recyclable materials (cardboard boxes, toilet paper tubes, etc) at home that you would be willing to donate, we'd really appreciate it.

Thank you!

News

With the summer holidays now behind us, we're looking ahead to an exciting few months at nursery.

Reminders

- Sickness – In our attempt to minimise the spread of illness, kindly follow our sickness policy, based on NHS guidance. There is an exclusion period of 48hrs from the last sickness/diarrhoea episode, before the children can return to nursery.
- Karen is on annual leave as of 15/9 returning 23/9. Kindly approach your child's coordination or a member of the team regarding any information to their day or pick up times at the nursery.
