Staffing Updates

We recently said goodbye to Rhiannon and Carly and we are pleased to welcome Alex to our Tweenies team.

Chynna and Natasha have also started their SVQ Level 4 in Social Services (Children and Young People), developing their leadership and management skills to support high-quality care for your children.

Parent Feedback

Thank you for your survey feedback. One area we're looking to improve is helping families feel more involved in their child's care, play and learning. We'd love to hear your ideas on how we can do this better. Please message Kerry privately on Famly. Your feedback will help shape improvements and will be shared through a "You said, we did" update.

The Under 2s and Tweenies cloakrooms now have information boards displaying: Lunch menus, Newsletters, Team photos and any updates.

We kindly ask that all belongings are taken home each day to help keep areas tidy.

Policy of the month

This month's focus is our Screen Time Policy, which supports children's development through active, play-based learning. A copy is available for parents to view.

Extra-curricular activities

We are exploring the possibility of offering Leaps and Bounds and Mini French at Cherrytrees. Please let us know if you would be interested.

Learning highlights!

Under 2s

Children have been developing their home corner using items chosen during visits to charity shops, including telephones, pots, pans and a toy Hoover. This supports language, imagination and real-life play.

Tweenies

Tweenies have been learning about winter weather, keeping warm and staying safe. They have been practising putting on coats, learning about icy conditions and exploring how ice melts using salt and sand.

Pre-School

Pre-school children have been exploring ice and Arctic animals, learning how animals such as penguins and polar bears stay warm and how we keep ourselves safe and healthy in cold weather.
