

NEWSLETTER JUNE 2026

Dear Parents,

Thank you to all who took the time to complete our recent survey. Your responses will be used in our forward planning for Nursery Priorities.

Funded Sessions

Funded sessions for term time only children will end on 2nd July and will resume on 19th August.

Funded sessions for 48 week children will end on Tuesday 4th August and will resume on Monday 19th August.

Staff

We welcome Karla Purves and Alex Dagleish to our staff team. Alex has been at the Nursery as a student from Borders College over the last year and has been based mainly in our baby rooms.

Kirsty Purves who was with us for 6 years has now left to take up training with Police Scotland. We wish her well in her new post.

Reports

All children should by now have a written report published on their online ejournal or a transitions document completed for the children who are moving on to Primary 1 in August. If you have not had a report for your child please let me know.

Staff Training

Laura Emond has completed Book Bug Leader Training and will be running Book bug sessions in all of our playrooms.

All of our staff are involved in ongoing in house training to keep up to date with current documents.

Summer

During the current heatwave we have been doing our best to keep the children cool and comfortable. We have fans in the playrooms and all children age 2-5 have their own water bottles which they can access freely during the day. Our under 2's have cups which are also available for them should they want a drink of water.

We watch the UVA to ensure it is safe for the children to go outdoors. Suncream is applied at least half an hour before they go outdoors each day to give it a chance to soak in and reapplied regularly.

As we head into the Summer holiday period we hope you all manage to have a well earned summer break.

Thank you for your continued support

Regards

Marie
